*Working Together – Saving Lives*

## **Police Senior User – Secondment Opportunity**

A vacancy has arisen for a Police Senior User to join the JESIP team as we continue to work with services to embed JESIP principles and models into business as usual arrangements.

This ongoing work with services will require the successful candidate to build and maintain close working and transparent relationships across all organisations at a national and local level. This will require a person who possesses excellent communication and negotiating skills.

The post is offered on a 12-month secondment, with a potential for a second year. Applicants are encouraged from across the UK, and your normal place of work will be within your home force, but please note that regular travel around the UK will be required, along with overnight stays from home.

Closing date for applications is **Sunday 11<sup>th</sup> March 2018**, with interviews to take place at the end March with a view to starting in April/May 2018.

Please apply by submitting a CV and covering letter detailing suitability to [contact@jesip.org.uk](mailto:contact@jesip.org.uk).

Should you require any further information please make contact with Carl Daniels, [carl.daniels@wmas.nhs.uk](mailto:carl.daniels@wmas.nhs.uk), the Deputy Senior Responsible Officer for JESIP.

**Prior to applying please ensure you have the support of your organisation for the period of the secondment and that you are free for the interview dates.**
